## **Audio Script -- Catherine Mitro**

Hi, my name is Catherine Mitro and it is my pleasure to stand for election to the JazzFM91 Board of Directors.

I am a full time faculty member with Humber College's Music Department and a Program Coordinator for both their Children's Music Program and the one year Certificate program in Jazz Performance.

Having worked in such a prestigious jazz program for over 40 years, I believe that I am uniquely positioned to help support and grow JazzFM's outstanding Community Youth initiatives and to act as a liaison with the local and national professional jazz community.

I believe that JazzFM has the potential and obligation to refocus its efforts in supporting Canadian jazz musicians and building local, national and international awareness of this country's established and emerging artists.

Every organization must go through periods of renewal and regeneration and I think the time is now for JazzFM to seek out stronger leadership and move forward with renewed focus and energy.

I hope I, and my fellow nominees have your support.

If you can't attend the meeting in person, please complete and return the BLUE proxy form voting in favour of our team.

Thank you.
